**Not my favorites:** Coffee that's not an iced mocha w/ coconut milk from Starbucks, being cold, Really sweet smelling candles, eggs, ranch dressing, "dips" (I'm a pretty picky eater), bad grammar, plain things (I like patterns and colors!), I'm not a huge royals fan

## In my spare time I like to...

Paint. I'm really crafty. Before I became a teacher I worked in copywriting and graphic design. I design a lot of people's wedding invitations, paint murals in people's houses (or above the entrance to the Ravenwood Library!). I also love to travel and am obsessed with Broadway Musicals.
